

Modular furniture

About modular: Modular furniture is pre-made or ready-made furniture which can be used according to the need and room spacing. It's easy to install & dismantle and gives modern look to your home or office.

About the opportunity: Modular furniture is the next big thing in the home and office furniture world as it saves lot of space and is very affordable. The Indian furniture (home & office) industry is estimated at around Rs 35,000 crore (Rs 350 billion)¹. Eighty-five per cent of this falls into the unorganised sector.
